

VCC'S

Voter Convenience Centers (VCC's) give voters more flexibility on Election Day since they are not constrained to any specific polling location.

There will be numerous voting stations and voting machine tabulators to accommodate the Election Day voters. The VCC's will be networked to the Voter System and the Clerk's Office so that voters are flagged when they vote.

After careful consideration, the following locations were chosen for accessibility, availability, and centralized locations for the
